Job Title: Company Designer (Visual / Graphic)

Location: Remote (Maldives-based preferred)

Job Type: Part-Time

Salary: MVR 7,000 / month

Deadline: 5th October 2026

About the Role

We are looking for a creative and detail-oriented Company Designer to join our team remotely. In this role, you will be responsible for crafting visual content that aligns with our brand identity across digital platforms, marketing materials, and internal communication.

Key Responsibilities

Design eye-catching graphics for social media posts, ads, and digital campaigns.

Create branding assets, promotional materials, flyers, and banners.

Collaborate with the team to develop visual concepts for product launches and announcements.

Ensure all designs remain consistent with our company brand guidelines.

Edit basic photos and format document templates as needed.

Requirements

Proven experience as a Graphic Designer or Visual Designer (a strong portfolio is required).

Proficiency in design tools such as Adobe Photoshop, Illustrator, Canva, or Figma.

Solid understanding of visual composition, typography, and color theory.

Strong communication skills and ability to work independently in a remote environment.

Good time management skills to handle multiple tasks and meet deadlines.

Perks & Benefits

Flexible Working Hours: Work from the comfort of your home.

Creative Freedom: Bring your own ideas and visual concepts to life.
