Finance Associate

The Role

- Support day-to-day financial and accounting operations.
 - Assist with billing and account reconciliations.
 - Maintain accurate financial records and reports.
 - Support financial reporting and related administrative tasks.
-

What You'll Need

- Minimum of three O-Level passes or three A-Level passes.
 - Basic accounting knowledge and financial awareness.
 - Good numerical, analytical and organizational skills.
 - Proficiency in MS Excel.
 - Previous experience in billing, reconciliation or finance will be an advantage.
-

Why Join Us

- Monthly salary of MVR 9,500–13,000.
- Overtime pay, where applicable, in accordance with company policy.
- Hands-on experience in financial operations, reconciliation and reporting.
- Training in financial systems.
- Supportive work environment.
- Professional development and career growth opportunities.
