See the world better

Finance Officer

The Role

- Support day-to-day financial and accounting operations.
- Assist with billing and account reconciliations.
- Maintain accurate financial records and reports.
- Support financial reporting and related administrative tasks.

What You'll Need

- Minimum Diploma or MNQF Level 5 qualification in Finance, Accounting, Business, or a related field.
- Basic accounting knowledge and financial awareness.
- Good numerical, analytical and organizational skills.
- Proficiency in MS Excel.
- Previous experience in billing, reconciliation or finance will be an advantage.

Why Join Us

- Monthly salary of MVR 11,500–14,500.
- Overtime pay, where applicable, in accordance with company policy.
- Hands-on experience in financial operations, reconciliation and reporting.
- Training in financial systems.
- Supportive work environment.
- Professional development and career growth opportunities.
